Dear Mr. Morishita:

Thank you for your letter regarding the Alberta Urban Municipalities Association's (AUMA) resolution requesting a provincial funding source that would provide 211 services to all Albertans. As Minister of Community and Social Services, I appreciate the opportunity to respond.

The Government of Alberta is committed to integrated, timely, supportive and consistent service delivery and ensuring that Albertans have reliable access to information on social services and supports in their respective communities. The Ministry of Community and Social Services is currently assessing this matter. Your input is important and will certainly be considered as the government looks for innovative ways to provide necessary services to Albertans.

Thank you again for taking the time to write. I appreciate and value AUMA's ongoing work in addressing matters of importance to municipalities.

Sincerely,
