

Did you spin to win?

During the 2022 Convention & Trade Show, we hosted a prize wheel at our Alberta Municipalities trade show booth.

All prizes were products that were proudly created in communities represented by Alberta Municipalities.

We appreciate all municipalities do to create strong and thriving communities.

Alberta-made products were thoughtfully chosen, in recognition of the economic development fostered by municipalities across Alberta.

Each Alberta-made product is available for purchase online:

- Beer & Bergamot Soap, [Tanglewood Garden & Farm](#)
